

- [Foo1] BarFooBaz K. T. Kalleberg. Programming language independent abstract syntax trees, 2003. Presentation at NWPT'03: Fifteenth Nordic Workshop on Programming Theory, Turku, Finland.
- [Foo2] BarFooBaz K. T. Kalleberg. Abstract syntax trees and i, October 2004. Presentation at Software Technology Colloquium, Utrecht University, The Netherlands.
- [Foo3] BarFooBaz K. T. Kalleberg. Extended "AST"s, March 2004. Presentation at the Fifth Stratego Users Day, Utrecht University, The Netherlands.
- [Foo4] BarFooBaz K. T. Kalleberg. Extending CodeBoost to new languages, March 2004. Presentation at the Fifth Stratego Users Day, Utrecht University, The Netherlands.
- [Foo5] BarFooBaz K. T. Kalleberg. Aspectstratego, May 2005. Presentation at the Sixth Stratego User Days (SUD'05), Universiteit Utrecht, The Netherlands.
- [Foo6] BarFooBaz K. T. Kalleberg. Clone, adapt, improve, May 2005. Presentation at the Sixth Stratego User Days (SUD'05), Universiteit Utrecht, The Netherlands.
- [Foo7] BarFooBaz K. T. Kalleberg. Spoofox: A stratego editor, June 2005. Presentation at the Post-Dagstuhl Workshop, Bonn, Germany.
- [Foo8] BarFooBaz K. T. Kalleberg. A taste of stratego/xt, November 2005. Presentation at the Beyond Slicing Dagstuhl Seminar, Dagstuhl, Germany.
- [Foo9] BarFooBaz K. T. Kalleberg. Weaves for moldable software, June 2005. Presentation at the Moldable Programming Day, June 2005, Swansea, Wales.
- [Foo10] BarFooBaz K. T. Kalleberg. Language abstractions for program transformations, August 2006. Presentation at IBM T.J. Watson Research, Hawthorne, NY.
- [Foo11] BarFooBaz K. T. Kalleberg. Metastratego – hacking an extensible stratego compiler, December 1 2006. Presentation at the Seventh Stratego User Days, Delft, The Netherlands.
- [Foo12] BarFooBaz K. T. Kalleberg. Stratego in java – strategic coffee brewing, December 1 2006. Presentation at the Seventh Stratego User Days, Delft, The Netherlands.
- [Foo13] BarFooBaz K. T. Kalleberg. Stratego/xt in a bash shell: An introduction to the stratego/xt transformation system, February 2006. Demonstration for the spring 2006 CS 846 course, University of Waterloo.
- [Foo14] BarFooBaz K. T. Kalleberg. Stratego/xt in a nutshell: An introduction to the stratego/xt transformation system, February 2006. Presentation for the CS and ECE faculties, University of Waterloo.

- [Foo15] BarFooBaz K. T. Kalleberg. Spoofox: A development environment for software transformations, May 8 2007. Seminar at the Institute of Informatics, University of Bergen.
- [Foo16] BarFooBaz K. T. Kalleberg and E. Visser. A brief stratego/xt tutorial, November 2005. Tutorial at the Beyond Slicing Dagstuhl Seminar, Dagstuhl, Germany.
- [Foo17] BarFooBaz K. T. Kalleberg and E. Visser. Fusing a transformation language with an open compiler, February 25 2007. Language Descriptions, Tools and Applications (LDTA) 2007.
